

PEER FEEDBACK FORM

This form offers guiding questions, cues, hints, and suggestions for writing helpful peer reviews. When you are reviewing a peer's work, use any of the following statements or questions that seem appropriate.

- I'm not sure if this answer is correct because _____.
Can you clarify this for me?
- If I scored you on this rubric, I would give you a _____ because _____.
- My favorite part was _____.
- I think you did really well responding to _____.
- If I had to choose an area for improvement for you, I'd choose _____ because _____.
- How did you figure this out or come up with this answer?
- I like your answer, but it is pretty short. Can you elaborate on it?
- It looks to me like you know, understand, and applied the information. Could you use critical thinking to analyze or evaluate it? Could you think about the information creatively?
- How did you come up with an idea for this?
- I was surprised that _____.
- What assumptions did you make about _____?
- I like the way you _____.
- I think it would be clearer if _____.
- Do you feel good about your responses? Why or why not?
- Do you feel the task allowed you to show what you learned? Would you have preferred to show what you learned in a different way?
