

Come and Start Your Day with Us!

Saturday, March 31, 2012

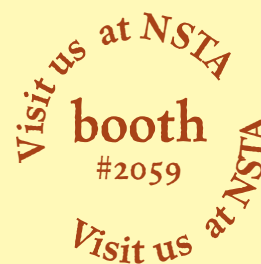

7:00am-8:00am

Indianapolis Marriott Downtown

350 West Maryland Street

Indianapolis, IN 46225

(317) 822-3500

You're Invited!

Please join the **Teacher Created Materials'** team for breakfast and for one of our trademark research-based and practice-oriented professional development presentations. Attendance at NSTA is not required to attend this event.

Easy Techniques for Bringing Inquiry Into Your Everyday Teaching

Join us and learn more about the following topics:

- ▶ Engaging students through inquiry-based learning strategies
- ▶ Exploring the 5E model of instruction for advanced understanding of science topics
- ▶ Strategies for altering hands-on activities to incorporate inquiry-based learning

Presenter:

Eric LeMoine, M.Ed. is a technology and curriculum/literacy support specialist for Kinnaman Elementary in Beaverton, Oregon. Eric is also an international presenter for Teacher Created Materials, conducting classroom coaching, workshops, seminars, and sessions for educators at various venues and conferences around the world on many topics.

Please RSVP no later than **March 16, 2012** to:

Samantha Ozbat

sozbat@tcmpub.com or call 800-858-7339 ext. 165

For more information about all our **new Science titles**, go to www.tcmpub.com or call us at **800-858-7339**.
